What is EPIC?

The Elderly Pharmaceutical Insurance Coverage (EPIC) program is a New York State program administered by the Department of Health. It provides seniors with co-payment assistance for Medicare Part D covered prescription drugs **after any Part D deductible is met.** EPIC also covers many Medicare Part D excluded drugs.

- Fee Plan members pay an annual fee to EPIC based on their income. The EPIC co-payments range from \$3 \$20 based on the cost of the drug. Those with Full Extra Help from Medicare have their EPIC fee waived.
- Deductible Plan members must meet an annual out-of-pocket deductible based on their income before paying EPIC co-payments for drugs.

EPIC also pays Medicare Part D plan premiums, up to the amount of a basic plan, for members with annual income below \$23,000 if single or \$29,000 if married.

Those with higher incomes must pay their Part D plan premiums.

- To help them pay, their EPIC deductible is lowered by the annual cost of a Medicare Part D basic plan.
- EPIC deductibles for income in shaded areas on the Deductible Plan schedule will be less than the amounts shown.

Who can join?

- A resident of New York State 65 or older with annual income up to \$75,000 if single or \$100,000 if married.
- An eligible senior with a Medicaid spend down not receiving full Medicaid benefits.

Medicare Part D Enrollment

All EPIC members must have Part D in order to receive EPIC benefits. Because EPIC is a qualified State Pharmaceutical Assistance Program, members are able to join a Part D plan during the year once enrolled in EPIC. They also can change their Medicare Part D plan one time during the year.

"Extra Help" can save money!

EPIC will use the information on this application to apply for Extra Help on the senior's behalf, if income eligible, and only lines 1-3 will be used for EPIC determination.

- Seniors who already receive Extra Help can send a copy of their determination letter from Social Security Administration with their form.
- If approved for full Extra Help, the senior will have lower co-payments and will not have a Medicare Part D coverage gap. Medicare and EPIC will pay all or most of the monthly Part D plan premium.
